### Vetted Tutor

## Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

### Tutoring Experience

Over the past five years, I have worked closely with students across various curricula, including IB, A-Level, and IGCSE. I have helped students develop strong geographical skills and supported them in achieving top marks on internal assessments and final exams. My background in geography allows me to offer tailored advice based on each student's needs.

I also provide support for MYP students, focusing on individuals and societies topics to build a solid foundation for future studies. Whether it's helping with extended essays or coursework, my tutoring sessions are designed to improve understanding and performance across the board.
