🎓 Experienced Tutor | Lund University | MSc in Physics

I hold an MSc in Physics from Lund University and a BSc in Mechanical Engineering from Uppsala University. With 17 years of experience, I specialise in IB Physics, as well as A-Level and IGCSE Physics. My goal is to help students develop a strong grasp of physics concepts and excel in their exams.

Teaches: [IB Physics](#) [A-Level Physics](#) [IGCSE Physics](#) [GCSE Physics](#)

Curriculum: [IB](#) [A-Level](#) [GCSE](#) [IGCSE](#)

Qualifications

Lund University: MSc in Physics (2004-2006)

Uppsala University: BSc in Mechanical Engineering (2000-2004)

Vetted Tutor 

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

For the past 17 years, I have worked as a physics tutor, helping students across multiple curriculums such as IB, A-Level, and IGCSE. My approach focuses on breaking down complex topics and ensuring students feel confident in their understanding of core physics principles. Many of my students have gone on to achieve excellent results, and I have supported others preparing for university entrance exams with tailored guidance.
