🎓 IB Teacher | University of Helsinki | MSc in Computer Science

I have an MSc in Computer Science from the University of Helsinki and over 8 years of experience teaching IB, IGCSE ICT, and A-Level Computer Science. I'm dedicated to helping students master coding and technology, guiding them to top results in their exams.

Teaches: IB Computer Science A-Level Computer Science AP Computer Science

Curriculum: IB A-Level AP

Qualifications

University of Helsinki: MSc in Computer Science (2015-2017)

Aalto University: BSc in Software Engineering (2011-2015)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over the past eight years, I have guided students through challenging concepts in IB Computer Science and other global curriculums. My focus is on simplifying complex topics such as programming, data structures, and algorithms, enabling students to understand and apply their knowledge confidently.

Working with students from diverse backgrounds, I have also helped them navigate their Internal Assessments and coding projects. I ensure my students are well-prepared for their exams and capable of applying their skills in real-world situations, such as university studies or internships in tech-related fields.
