Tutoring Experience

For over a decade, I have worked with students across multiple curricula, specialising in IB Maths (HL & SL), IGCSE, and A-Level. My students have successfully gained admission to prestigious universities worldwide, thanks to the strong mathematical foundation I help them build.

In addition to teaching IB Maths, I have prepared students for exams such as AP Calculus and SAT Maths, offering comprehensive guidance to ensure they excel. My experience includes tutoring students from across Europe, Asia, and North America, helping them achieve remarkable results in their studies and competitive exams.
