## Tutoring Experience

I have worked extensively with students from various international schools, guiding them through challenging IB English coursework and exams. My focus has been on helping students develop strong analytical skills and a deep understanding of literature, enabling them to achieve top grades in their IB exams.

In addition to IB, I've also tutored students preparing for A-Level and AP English exams, helping them improve their essay writing and textual analysis abilities. My tutoring is tailored to the individual needs of each student, ensuring they gain confidence in their ability to perform well in their exams and coursework.
