Tutoring Experience

For the past eight years, I have tutored students in Physics at multiple levels, including IB, A-Level, and IGCSE. I focus on ensuring my students develop a deep understanding of physics principles, guiding them through coursework and exam preparation with personalised support. Throughout my career, I have worked with a wide range of students from different educational backgrounds. Many of my students have achieved excellent exam results and gone on to pursue further studies in physics and related sciences at top universities.
