🎓 Experienced Tutor | Sorbonne University | PhD in Chemistry

I earned my PhD in Chemistry from Sorbonne University and an MSc in Organic Chemistry from the University of Lyon. With 18 years of teaching experience, I've helped students excel in IB, A-Level, and IGCSE Chemistry, guiding them through exams and fostering their love for the subject.

Teaches: IB Chemistry A-Level Chemistry IGCSE Chemistry GCSE Chemistry
AP Chemistry

Curriculum: IB A-Level GCSE IGCSE AP

Qualifications

Sorbonne University: PhD in Chemistry (2004-2008)

University of Lyon: MSc in Organic Chemistry (2000-2002)

Vetted Tutor

Personally Interviewed

Our tutors go through a rigorous selection process, having been interviewed to assess their teaching skills and subject knowledge. **They have extensive tutoring experience with a track record of success**, helping students achieve their academic goals.

Tutoring Experience

Over my 18-year career, I have helped students excel in various chemistry curricula, including IB, A-Level, and IGCSE. My extensive experience in organic chemistry and exam preparation has enabled my students to perform well in competitive exams like the IB and AP, often securing top university placements.

During my time as a tutor, I've also worked with students preparing for challenging entrance exams such as NEET and BITSAT. I specialize in simplifying complex concepts and helping students build strong foundations in chemistry, allowing them to navigate through advanced topics with ease.

My background as a researcher in organic chemistry allows me to connect theoretical concepts to real-world applications, making chemistry both engaging and accessible. I focus on ensuring students gain a deep understanding of the subject while improving their academic performance across all levels.
