## Tutoring Experience

I've worked with students across a range of curricula, including IB, A-Level, and IGCSE, offering targeted support in Global Politics, English, and Social Studies. Having recently graduated, I use my fresh understanding of these subjects to provide relevant and practical exam strategies. My goal is to ensure that students not only achieve high marks but also develop a deeper understanding of global issues.

In addition to tutoring online, I've also supported peers in preparing for their IB and A-Level exams, helping them improve their essay writing and critical analysis skills. My interactive and resource-driven approach ensures students remain engaged and motivated throughout their academic journey.
